### ECONOMICS OF TOBACCO USE AND TOBACCO CONTROL

- In FY2016, Connecticut allocated \$1.2 million in state funds to tobacco prevention, which is 3.7% of the Centers for Disease Control and Prevention's (CDC) Annual Spending Target.<sup>6</sup>
- Connecticut received an estimated \$487 million in tobacco settlement payments and taxes in FY2016.<sup>6</sup>
- The health care costs in Connecticut, directly caused by smoking, amount to \$2.03 billion annually.<sup>7</sup>
- Connecticut loses \$1.25 billion in productivity each year due to smoking.<sup>7</sup>

\* National and state-level prevalence numbers reflect the most recent data available. This may differ across state fact sheets.

## STATE TOBACCO LAWS<sup>8-9</sup>

### EXCISE TAX

- The state tax increased to \$3.65 per pack of cigarettes in October 2015. Snuff is taxed \$1.00 per ounce. Cigars are taxed 50% of the wholesale price, not to exceed \$0.50 per cigar. All other tobacco products are taxed 50% of the wholesale price.

### CLEAN INDOOR AIR ORDINANCES

- Smoking is prohibited in all government workplaces, schools, restaurants, bars (allowed in tobacco bars), casinos/gaming establishments (tribal establishments are exempt), retail stores, and recreational/cultural facilities.
- Smoking restrictions are required in private workplaces and childcare facilities.

### YOUTH ACCESS LAWS

- The minimum age requirement for the purchase of tobacco products is 18, and penalties exist for both minors and merchants who violate this law.
- Establishments are required to post signs stating that sales to minors are prohibited.
- The sale to minors of electronic cigarettes is prohibited.

## CESSATION STATISTICS AND BENEFITS

- The CDC estimates that 54.4% of adult every day smokers in Connecticut quit smoking for one or more days in 2014.<sup>10</sup>
- Connecticut's Medicaid program covers all seven recommended tobacco cessation medications as well as phone, individual, and group counseling.<sup>9†</sup>
- The state Medicaid program's barriers to coverage include prior authorization requirements for some medications.<sup>9</sup>
- Connecticut's state quitline invests \$1.32 per smoker; the national average investment per smoker is \$3.37.<sup>9</sup>
- Connecticut does not have a private insurance mandate provision for cessation.<sup>9</sup>

---

† The seven recommended cessation medications are NRT Gum, NRT Patch, NRT Nasal Spray, NRT Inhaler, NRT Lozenge, Varenicline (Chantix), and Bupropion (Zyban).
